

Year 7

Name:

Teacher:

Title: The impacts of hurricanes

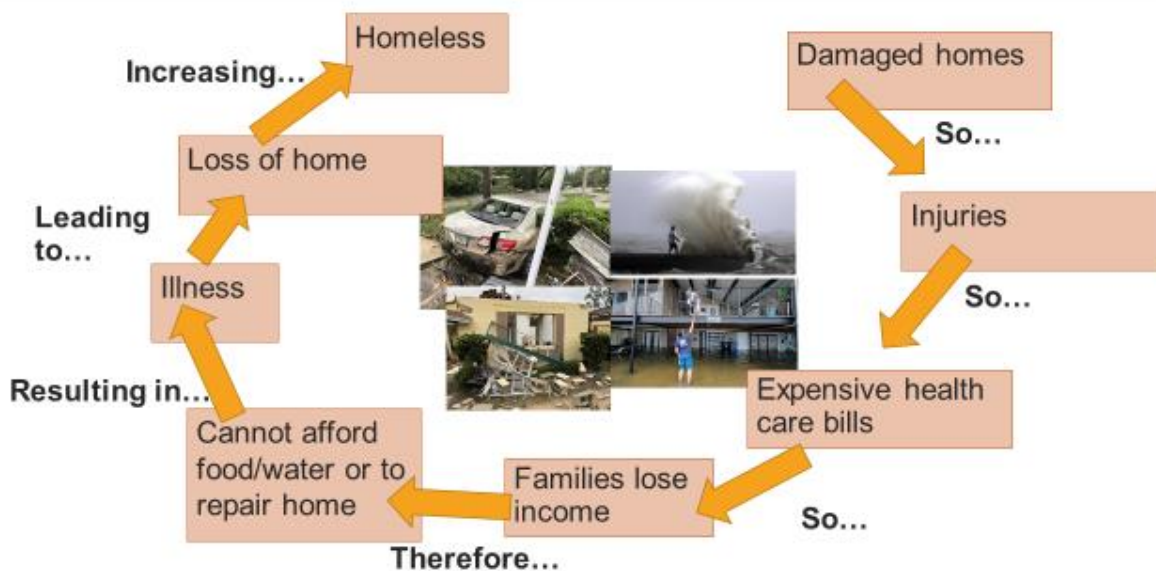

Task 1: Investigate the photo below and label it with problems/impacts of hurricanes. One has been done for you.

Damaged cars

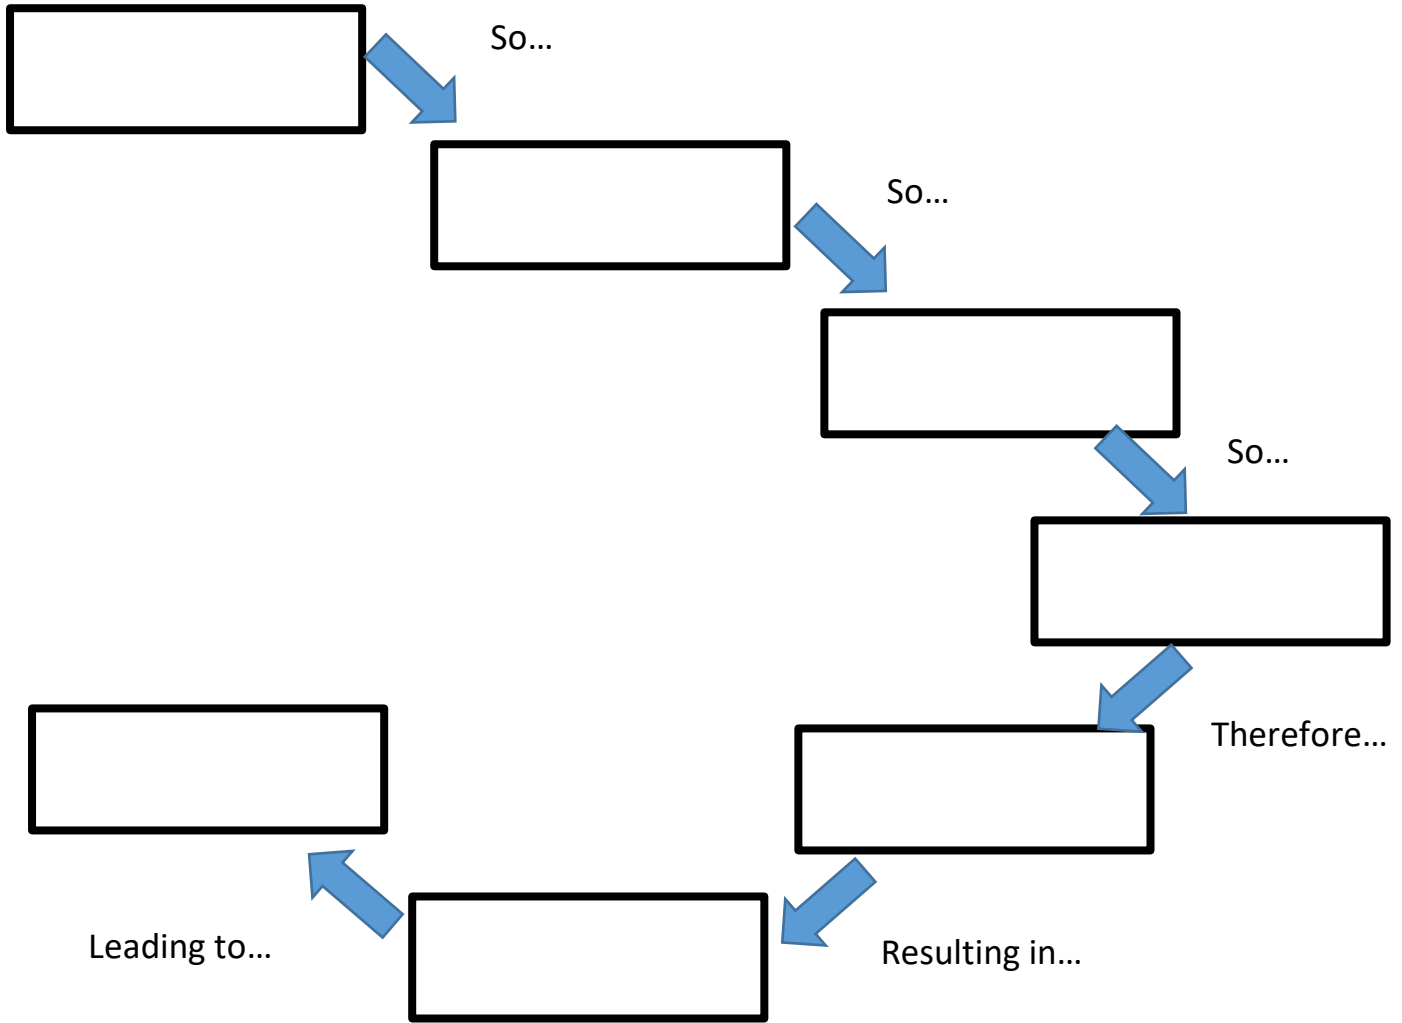

Task 2: Explain the wider impacts of hurricanes on people, their income and the environment by completing a chain – similar to the one below that explains the impact of damaged homes.

1. Select **one** impact e.g. damaged homes
2. Explain the wider implications, using connectives to sound like a top Geographer

Complete your own chain of impacts.

Things to consider: health care, transport, jobs, family, tourism.

Task 3: Write a small diary entry about what you might experience in a hurricane and how it might make you feel!

Dear Diary

The impacts of this hurricane means that _____

This has made me feel _____ because _____
