Key focus	How and why did the enslavement of human beings divide opinion in the 18 th and 19 th centuries?	To what extent was it an 'Industrial Revolution'?	How far was power to the people achieved by 1918?	How far has the civil rights movement changed the lives of black Americans?	Did the world 'sleepwalk' into the First World War? How did the First World War change the world?	Why do some historians argue the Partition of India was Britain's 'shameful flight'?
