Things for September

Ensure you bring evidence of your notes to your first lesson in September.

Be prepared to sit an assessment in your first lesson based around the reading and tasks you have completed, this is how we will assess the effective completion of your transition tasks.

You will also need to bring a large lever arch file, a standard A4 file will not be big enough to hold all your notes for the year. You will also need dividers for you folders.

Full equipment is needed in psychology, including pencil, 30 cm ruler, eraser and calculator. There are mathematical components.

At the start of the year you will sit 2 baseline assessments to check your suitability for the course.

In psychology you are expected to bring your folder to each lesson.
