

Year 8 - Urbanisation

Calling all geographers!

We are going to study the topic of **Urbanisation**. Urbanisation is the growth of cities.

Activity: Write a definition for Human AND Physical Geography

Human Geography = _____

Physical Geography = _____

Activity: Human or Physical Features in Bradford. Use the pictures on the PowerPoint slide to help guide you. Look at these 4 pictures and identify if they are human or physical features and **explain** your answer.

			
<p>Example: <u>Centenary Square</u> <i>This is a Human feature because it was built by humans and it is a place where people go a visit in Bradford for the man-made water feature.</i></p>	<p><u>Cow and Calf Rocks in Ilkley.</u> (HINT: They were once a natural rocky ridge but they were quarried for stone by humans) <i>This is an example of a _____ feature because...</i></p>	<p><u>Bingley Five-Rise Locks.</u> <i>This is an example of a _____ feature because...</i></p>	<p><u>River Aire</u> <i>This is an example of a _____ feature because...</i></p>

1. Describe the different ways you can travel to Bradford (use specific named examples to support your answers)

2. Explain why good transport links are important for the following groups of people: (i) tourists, (ii) commuters (people who travel for work) and (iii) business owners.

Good transport links such as Leeds Bradford Airport and the

Bradford Interchange Railway station are ideal for tourists

because... _____
